If anyone is in Christ, they are a new creation. 2 Corinthians 5:17

Here are **FOUR** things that are going to help you get started with your walk with Christ. We look forward to serving you and answering any questions you may have. We are excited for what God is doing and what He will continue to do in your life.

1. GET IN THE BIBLE.

The Bible is the written Word of God and reading it will help you learn more about him. Take time every day to read and if you don't know where to start, the book of John (New Testament) is a great book for new believers!

2. PRAY.

Set some time aside every day to spend alone with God. Getting away from the distractions of everyday life to talk to God will strengthen your relationship and bring you closer to Him. And, it's easy! Praying to God is just like talking to a friend. If you aren't sure what to say, begin with thanking God for all the good things that have happened to you, then pray for others; such as family and friends and then pray for your own needs.

When you give your life to Jesus, He doesn't just forgive you, He makes you into a brand new person. That means that the past is no longer calling the shots for the rest of your future. We are honored to be a part of this powerful moment in your life.

3. GET CONNECTED.

Getting plugged in is vital in maintaining a relationship with God. You can attend a weekly Church services and meet other believers to support and encourage you throughout your walk with God!

4. TELL SOMEONE.

Tell someone what God has done for you! It's important to tell people about your decision to follow Him, so they can hear about your story and find freedom in Christ as well.
